LEAGUE ORGANIZED

Civic Improvement for Amarillo
Officers Elected and the
Work Begins.

In response to the call issued by Mrs. J. L. Smith, temporary chairman, a representative body of the ladies of Amarillo met in the District Court room Saturday afternoon and perfected the organization of the Amarillo Civic League. A number of gentlemen were also present, among them Mayor Will A. Miller and Secretary of the Commercial Club J. K. Shireman, who aided materially in the work by their enthusiastic and appreciated talks in behalf of "cleaner and better Amarillo." A constitution and by-laws was adopted and the following officers elected for the ensuing year: Mrs. J. L. Smith, president; Mrs. T. H. Turner, 1st vice president; Mrs. E. L. Dohoney, 2nd vice president; Mrs. J. D. Bartlett, 3rd vice president; Mrs. Bennett Hatcher, secretary, and Mrs. Will A. Miller, Jr., treasurer. Mrs. Smith announced that she would appoint the various committees at the next regular meeting. The membership list, when completed, included almost every lady and gentleman present, and, no doubt, when the canvas over the city is made, will bear the name of almost every Amarillo citizen.

J. K. Shireman, of the Commercial Club, was introduced by Mayor Miller as "the man who had done more for Amarillo than any other person on earth," and in a short but decidedly interesting address showed his interest in the city, and pledged the earnest support of the Commercial Club in all movements for the improvement of the city. Mayor Miller followed in a well received speech, in which he dwelt somewhat on the great needs of Amarillo from a sanitary as well as other standpoints, and assured the ladies of the hearty co-operation of the City Council in all their undertakings. Mrs. Smith, as president, made an interesting and enthusiastic talk, and assured the organization of her assistance in every way possible, as did a number of the other members. The question of a park was launched, and also that of a public watering place, each of which elicited much discussion. At the request of Messrs. Shireman and Miller, a committee of five was appointed to act with committees from the Commercial Club and the City Council in the matter of securing for the city a public watering trough, and to discuss the "clean up" crusade. The committee is as follows: Mesdames Wm Harrell, A. C. Covington, E. W. White, Will Miller, Sr. and D. W. Owen. The motto adopted by the club is "Cleanliness is next to Godliness," and as one of the ladies expressed it, "can never be improved upon." The regular meeting time is the first Saturday in each month. Next Saturday afternoon a meeting will be held for the purpose of organizing an auxiliary to the Civic League.

Methodist Revival.

The meeting began last Sunday morning. Rev. A. P. Lowrey preached an able sermon at the close of which about two hundred people pledged themselves to cooperate with the evangelist and pastor in the work of saving souls. At the close of the service six persons gave their names for membership in the church and two infants were dedicated to God in holy baptism. On Sunday night threatening weather interfered with the success of the service. At the Monday morning service there were more than one hundred persons present. Bro. Erwin is in charge of the singing. The meeting will continue throughout the week. Services at ten o'clock in the morning and at eight-thirty at night. All are invited to attend.

The following letter has been received by Mr. A. B. Spencer of the Rock Island, and is welcome news to the members of the order in this city. Mr. Spencer has been trying for some time to get a dispensation in order to put in a strong organization here and has at last succeeded as the letter implies:

Galveston, June 23.

A. B. Spencer, Amarillo.
I have granted a dispensation for a new commandery at Amarillo in accordance with the petition accompanying documents.

I sent papers to the Grand Recorder and have requested him to issue dispensation.

Yours courteously,

THE POWER OF STEAM.

Many May See But It Takes Genius to Realize.

When James Watt saw the steam causing the kettle lid to jump up and down he said "There must be power in that steam that it can lift such a weight."

There was.
Millions prior to him had seen the same phenomenon and regarded it as an unexplained mystery.
Recent scientific research has put its finger on the "cause" of Deadweight Hair, and consequent Baldness, and has unearthed a tiny germ which eats the life from the roots of human hair. Newbro's Herpicide destroys this germ and consequently restores the hair to its natural state.
